Resolution to Approve Amendment No. 2 of the City’s Contract with Part D Advisors, Inc. to Fulfill Administrative and Actuarial Services Related to Medicare Part D Subsidies for the City and to Authorize the City Administrator to Execute the Necessary Documentation
The attached Resolution authorizes the City Administrator to execute the amendment and renewal of the City’s contract for administrative and actuarial services with Part D Advisors, Inc. Part D Advisors, Inc. keeps a percentage of the funds reimbursed to the City by Medicare.

Budget/Fiscal Impact: This does not adversely impact the FY18 budget and will not adversely impact the FY19 budget, as the City receives a refund from Medicare, from which the consultants will receive their fees. Further, receipt of the subsidy has a favorable impact for the City for GASB 45 purposes.

The Medicare Part D program added voluntary outpatient prescription drug benefits to the Medicare program effective January 1, 2006. Medicare pays an employer a subsidy of up to 28% of its prescription drug costs if its retirees covered under the retiree medical plan do not participate in the Medicare Part D program.
