HHSAB - Annie Erickson Change in Role

The Housing and Human Services Advisory Board requires its membership to have representation from certain groups. Current member Annie Erickson will be changing from an at-large position to the Professional/Academic in Social Services position, which is currently vacant. Annie stated in her application to the board that she meets the requirements for the specialized qualification but was appointed as an at-large member. This change in role will allow the board to consider a greater pool of applicants for an at-large member rather than the more specialized designation.
