On January 23, 2023, City Council approved Resolution R-23-021 to add the UKG Learning and Development module within the UKG Human Resources Information System. This new agreement with OpenSesame Inc. will provide the content to be displayed by that Learning Management module.

It is being requested that an additional \$5,000 be appropriated from the Information Technology fund balance to cover the additional cost above the original budget.

The FY2025 and FY2026 amounts of \$42,218.00/year are anticipated to be budgeted for in the FY2025 and FY2026 Information Technology budgets respectively.
