Resolution to Approve a Purchase Order to BSB Communications, Inc. for a One Year Support Agreement for the City's Mitel phone system (\$69,317.70) (Sourcewell - Government Pricing)
This memorandum and resolution request approval of a purchase order to BSB Communications, Inc. in the amount of \$69,317.70 to purchase a one year support agreement for the City's Mitel phone system. This purchase will provide the City with support and software upgrades to keep the Mitel phone system operational and up to date.

BSB is recommended as a best source because it is the predecessor of CBTS who originally implemented the City's Mitel VOIP system. CBTS was the preferred support vendor for the Mitel System and had supported the system since its initial installation. CBTS transferred the City's account to BSB. All employees of CBTS are now employed by BSB. BSB is also ranked the #1 Mitel Dealer in Michigan and #12 in the US.

Budget/Fiscal Impact: Information Technology has included and budgeted for the cost of the purchase FY 2022.
