Resolution to De-commit Funding from the Sewage Disposal System Fund Balance from Near North Apartments and Appropriate Those Funds and Establish a Project Budget for Sanitary Sewer Expenses for North Maple Estates (\$153,611.00 Sewage Disposal System) **(8 Votes Required)**
Attached for your consideration is a resolution to appropriate funding in the amount of \$153,611.00 from the Sewage Disposal System Fund Balance (Walnut Ridge reserve) to establish a Sewage Disposal System Project Budget to pay sewer construction costs and improvement charges for North Maple Estates at 701 N. Maple.

Council previously appropriated those funds to Near North Apartments (R-11-020), which is no longer being constructed. This resolution is requesting that Council de-commit these funds from Near North Apartments and allocate them to North Maple Estates.

Council approved the North Maple Estates Site Plan and Development Agreement in September, 2014 (R-14-311). North Maple Estates will include 42 new and 4 renovated affordable rental apartments.

In keeping with the City’s commitment to providing assistance to these affordable residences, we recommend that Council approve an appropriation of \$153,611.00 from the Walnut Ridge reserve (which is part of the Sewage Disposal System Fund Balance) put into place for use to offset sanitary sewer expenses to assist affordable housing development to a project budget within the Sewage Disposal System Fund. The balance in the fund is \$153,611.00.

The Ann Arbor Housing Commission will provide invoices to the Public Services Department to ensure that these funds are used for sewer related connection charges and sewer infrastructure.

Prepared by: Jennifer Hall, Executive Director Ann Arbor Housing Commission
