**Resolution to Dissolve the Ann Arbor Hospitality Committee**

The Ann Arbor Hospitality Committee, created in 1984, has been inactive for over a decade, but was never formally dissolved. The attached resolution that originally created the committee outlines the proposed directions and initiatives. While some of the initiatives are ongoing, the work is being completed either by City staff or outside agencies without the assistance of a committee.

Staff recommends dissolving the committee, as it does not actively meet and new members have not been appointed in over a decade.
