FY 2018-2023 Capital Improvements Plan (CIP) - The FY2018-2023 CIP is a plan for City capital investments to be undertaken over the next six years. This plan describes projects that address needs for municipal and park facilities, transportation improvements and utility infrastructure, along with proposed costs and scheduling. Upon adoption by the City Planning Commission, the CIP becomes a supporting document for the City's master plan. The CIP is also used as the source document for the City's capital budget planning.
