Resolution to Accept the Right-of-Ways of Vine Court, Oakbrook Drive, and Carrot Way, and to Dedicate them as Public Streets in the Act 51 Street System

This action will add Vine Court, Oakbrook Drive, and Carrot Way to the Act 51 Street System.

In order to receive Act 51 funding (gas tax funds that are collected by the state and then redistributed to respective municipalities based on a set formulas for the sole use of maintenance and repair of major and local streets), it is crucial that the City Street Administrator (Homayoon Pirooz) maintain up-to-date, accurate Street System Maps. To amend an Act 51 Street System Map, the state requires that administrators submit specific, detailed information and forms. One of the requisite amendment documents is a resolution adopted by the municipal governing body outlining and approving the requested changes/amendments.

Vine Court, Oakbrook Drive, and Carrot Way are either new streets or have been extended since the last Act 51 Street System update.

Legal descriptions of the 3 street sections, covered in this memorandum, are attached.
