### Resolution to Appoint John Seto as Safety Services Administrator and Police Chief Effective July 17, 2012

The Safety Services Administrator is responsible for the administrative supervision and leadership of police services, fire services, and emergency management. Service Area Administrators are appointed by the City Administrator and are responsible to the City Administrator. The appointment of the Service Area Administrators is by the City Administrator with the advice and consent of the city council. The City Charter requires City Council appointment of the Police Chief.

Mr. Seto has served as Interim Safety Services Administrator and Interim Police Chief since April 1, 2012. Mr. Seto was hired by the City of Ann Arbor as a Patrol Officer in 1990 and rose to Deputy Chief of Police, Operations Division, by 2008. Mr. Seto's law enforcement experience includes detective, patrol, and SWAT operational and management responsibilities.

Mr. Seto's administrative experience includes employee relations and negotiations and budget preparation and management. While Interim Safety Services Area Administrator, he has been a valuable addition to the City's administrative leadership team.

Mr. Seto received a Bachelor of Science, Magna Cum Laude, from Eastern Michigan University and has continued his education and professional development at Eastern Michigan University and with the Federal Bureau of Investigation. Mr. Seto holds a Firefighter I & II Certification.

Mr. Seto is qualified to serve the City as Safety Services Administrator and Police Chief and City Council's consent and approval of his appointments is highly recommended.
