This resolution seeks Council approval for a service contract with Washtenaw County Community Support & Treatment Services to provide mental health treatment services for 15th Judicial District Court defendants who are participants in the Sobriety Court and Mental Health Court programs. These services are funded by grant funds through the Supreme Court of Michigan State Court Administrative Office for Grant Fiscal Year 2015, and without regard to City Fiscal Year.

Budget/Fiscal Impact: Services provided under this contract will be funded through the State Court Administrative Office Michigan Drug Court Grant Program (SCAO-MDCGP) (\$46,920.00) and the State Court Administrative Office Michigan Mental Health Court Grant Program (SCAO-MMHCGP) (\$92,736.22). Grant award acceptance approval was received from City Council on November 6, 2014 (R-14-371 and R-14-372).

Approval of a ten percent (10%) contract contingency is also requested to allow the Court to increase services should additional funds become available for mental health services through an approved SCAO grant program budget amendment [e.g., approved grant project line-item budget adjustments within the total program award.]
