This ordinance will rezone this property to PUD. The City Planning Commission, at its meeting of October 2, 2007, recommended approval of this rezoning.

The PUD site plan, which proposes a 25,503-square foot, three-story addition to the existing Liberty Square building, will be submitted, along with a development agreement, for Council consideration at the same meeting as the public hearing and second reading for the rezoning.
