Resolution No. 3 Establishing a Public Hearing for the Scio Church Improvements Project
Attached for your review and approval is Resolution No. 3 establishing the date for the Public Hearing on the Scio Church Improvements Project; Curb and Gutter & Sidewalk Special Assessment District No. 52, File No. 19-0064.

The improvements include constructing a new sidewalk along the south side of Scio-Church Road. Curb and gutter will also be constructed to help improve storm water quality within the project limits. This work will be performed in conjunction with the Scio Church Improvements Project along Scio Church Road from S. Main westerly to S. Seventh Street.

Adoption of this resolution does not make the assessment. It merely sets a date for Public Hearing, after which Council can vote on the assessment. Staff recommends proceeding with a public hearing regardless of whether Council will ultimately impose the assessment.
