Resolution to Order Election and to Determine Ballot Question for Charter Amendment Requiring Voter Approval of Long-Term Non-Park or Non-Recreational Uses of Park Land (**7 Votes Required**)
Whereas, Michigan law authorizes a City to sell land designated as a park in the City's Master Plan with voter approval;

Whereas, Michigan law authorizes a City to sell the same land without voter approval if it is removed from the City's Master Plan;

Whereas, In November 2008, electors amended section 14.3(b) of the Ann Arbor City Charter to require voter approval for the sale of any land within the City purchased, acquired or used for parkland regardless of whether it is or is not part of the City's Master Plan;

Whereas, The 2008 charter amendment provides protection for parkland and a public process requirement prior to any parkland being placed on an election ballot only in the event of a sale, but does not address or protect parkland where ownership of the parkland is retained by the City but the fundamental use of or ability to use the property for park or recreational purposes is diminished under a long-term contractual arrangement;

Whereas, The voter approval of sale requirement as enacted was not intended to permit the City to constructively circumvent the requirement through long-term utilization of parkland acquired to provide accessible recreation, enrichment, and leisure opportunities for the Ann Arbor community in a manner that is inconsistent with municipal stewardship of the park, recreation and open space system; and

Whereas, It is appropriate to assure citizens a voice in the decision-making process of the development of park, recreation and open space system where new uses could significantly impact park and recreation services.

RESOLVED, That the Ann Arbor City Council propose that Section 14.3(b) of the City Charter be amended as follows:
