**File #:** 12-0887, **Version:** 1

---

ZBA12-011; 306-310 Spring Street & 418 Miller Avenue

Raymond Knight is requesting permission to alter a non-conforming structure and one variance from Chapter 63 (Storm Water Management and Soil Erosion and Sedimentation Control). If granted, the alteration and variance will permit expansion of an existing commercial building without providing additional onsite storm water management system as required by City Code.
