Resolution to Approve Michigan Islamic Academy Site Plan and Development Agreement, 2301 Plymouth Road (CPC Recommendation: Approval - 6 Yeas and 0 Nays)

Attached is a resolution to approve the Michigan Islamic Academy Site Plan. Approval of this resolution will allow for the construction of a 10,500 - square foot class room addition and removal of the existing 3,263-square foot classroom trailer attached to the existing school and worship space.

The City Planning Commission, at its meeting of March 2, 2010, recommended approval of this request.

### Petition Summary:

- The Site Plan proposes removal of the existing trailer after completion of the 10,500-classroom addition, which will be constructed in one phase. The parking lot remains unchanged with 133 surface parking spaces as the number of students and staff remains the same at 364 persons.
- No impacts are proposed to natural features. 100-year storm water detention is provided underground on the northeastern portion of this site.
- A development agreement has been prepared to assure disconnection of two footing drains from the sanitary sewer system before issuance of certificate of occupancy.
- The petitioner addressed Planning Commission's concerns by agreeing to replace any diseased or damaged landscaping screening the site.
