Resolution to Approve Temporary Authorization for Outdoor Liquor License Service to 314 S. Main LLC, dba Melange Bistro at 312 S. Main Street for Fridays in June, July and August  
Melange Bistro is requesting Temporary Authorization for Outdoor Liquor License Service on Friday nights in June, July and August and Thursday, July 21 during Art Fair week. The applicant is in the process of applying for an official outdoor service permit with the Michigan Liquor Control Commission, but would like authorization for the maximum of 12 temporary permits so as to not lose the summer season this year. This resolution would allow the applicant to get a sidewalk occupancy permit for the dates requested until the permanent permit can be approved by the City and the MLCC. Approval by City Council is required in order for the applicant to receive both the temporary outdoor liquor license and the permanent Outdoor Service permit from the Michigan Liquor Control Commission.
