Resolution to Approve DDA Bylaw Amendments

The Ann Arbor DDA operates by a set of bylaws that were first approved in 1984 and last amended in 2003. These bylaws name the DDA's officers and their duties, provide details on the DDA annual and regular meetings, rules for quorum, voting, funding requests, committees and conflict of interest.

The DDA Executive Committee reviewed the document late last year and recommended several amendments that were approved by the full DDA in February 2010. The attached amendments now need City Council approval to be enacted.

Prepared by: Susan Pollay, DDA Executive Director

Approved by: Roger Fraser, City Administrator
