James R. Bruinsma McShane& Bowie, P.L.C., representing Fifth Third Bank, is appealing the City of Ann Arbor's Planning and Development Services email determination on March 25, 2021. The appeal disagrees with the determination that Fifth Third Bank does not have authorization to apply for a rezoning without the approval of all said ownership in the planned unit development (Plymouth Green Crossings). The property is zoned PUD (Planned Unit Development).
