The attached resolution seeks approval of a purchase order to Oakland County in an amount not to exceed \$90,000 for the continuation of CLEMIS Public Safety Information Sharing Services for the Ann Arbor Police Department for FY2018.

Budget/Fiscal Impact: This expenditure is planned and budgeted in the approved FY2018 Information Technology Services Unit budget. There are no additional funds being requested.

CLEMIS, provided through Oakland County, provides public safety technology solutions including Computer Aided Dispatch (CAD), CAD Mobile, Report Management System, fingerprinting and mug shots for use by local police and sheriff agencies. The use of this highly specialized and integrated technology service allows many public safety organizations across Southeast Michigan, including Washtenaw County, to share information and intelligence across agency and government boundaries, improving public safety responsiveness and the overall safety of the Ann Arbor and Washtenaw County communities.
