An Ordinance to Amend Section 10:1a, to Add a New Section 10:1b and to Renumber Current Section 10:1b of Chapter 126, Traffic, of Title X of the Code of the City of Ann Arbor (Ordinance No. ORD-12-07)

The attached ordinance amendment adds a new section 10:1b to Chapter 126 (Traffic) in order to adopt the provision of the Michigan vehicle code (MVC) that makes it a separate crime to operate a motor vehicle with a bodily alcohol content (BAC) of .17 or more. Presently, the City is able to charge only: (1) operating while visibly impaired (less than .08 BAC); or (2) operating while intoxicated (OWI with a .08 BAC or more).

The legislature added the charge of OWI with a .17 BAC or more to the MVC in 2010 (thus, .08 or more is now OWI with .08 to .16), with a maximum penalty of a fine of \$700 and/or 180 days jail. However, the City was unable to bring charges under the new provision because Home Rule cities, like Ann Arbor, are limited to imposing maximum penalties of \$500 and/or 93 days.

In February of this year, the legislature amended the Home Rules Cities Act for the sole purpose of allowing cities to bring charges for operating with a .17 BAC and impose the 180 days/\$700 penalty for this charge only. Although the City has already adopted the MVC, in order to be able to bring a charge for OWI with a .17 BAC or more, it is necessary to pass an ordinance amendment that contains the language in the ordinance amendment now presented to you and recommended for your approval.
