Resolution to Approve a Professional Services Agreement for Construction Materials Testing with Inspection Services Company, Inc. (ISC) for the E. Stadium Blvd. Improvement Project (RFP No. 810, \$50,185.00)

Attached for your review and approval is a resolution to authorize a Professional Services Agreement with Inspection Services Company, Inc. (ISC) for construction materials testing services in the amount of \$50,185.00 for the E. Stadium Blvd. Improvement Project.

This project consists of the replacement of the water mains along E. Stadium Blvd. between Packard Road and Brockman Blvd., and subsequent resurfacing of the E. Stadium Blvd. from Packard Road to Washtenaw Ave.

We received proposals from four firms for the required construction materials testing services. Project Management staff evaluated the proposals and selected ISC based on the proposal, staff qualifications, past involvement with similar projects, and cost. ISC received Human Rights and Living Wage approval on May 11, 2011.

Services to be performed include all the required testing for soils, aggregates, asphalt, and concrete. Funds for the requested services are available in the approved capital budget for the E. Stadium Blvd. Improvement Project.
