An Ordinance to Amend Chapter 55 (Zoning), Rezoning of 3.32 Acres from TWP (Township District) to R3 (Townhouse Dwelling District), Summit Townhomes, 2081 East Ellsworth (CPC Recommendation: Approval - 7 Yeas and 0 Nays) (Ordinance No. ORD-13-01)

This ordinance will zone this property to R3 (Townhouse Dwelling District), now that the property has been officially annexed into the City. The City Council, at its meeting of February 4, 2013, referred the zoning request back to the Planning Commission for re-evaluation of the proposed zoning. Council expressed concerns regarding the proposed density, traffic and storm water impacts. Council members requested that the Planning Commission examine whether a lower density zoning would potentially lessen impacts on the surrounding area. The Council also asked for staff to evaluate the need for parkland in the area.

After consultation with appropriate City staff, Planning staff prepared a staff report (attached) that provides background information about the stated concerns, including a more in-depth discussion of the master plan recommendations. A comparison examining three potential zoning designations for the property: R1C (Single-Family Dwelling District), R2A (Two-Family Dwelling District) and R3

(Townhouse Dwelling District) is provided below.

## ZONING ALTERNATIVES

	<u>R1C</u>	<u>R2A</u>	<u>R3</u>

Minimum useable open space %	None	None	65%
Minimum Setback Requirements	25 ft front 5 ft side 30 ft rear	25 ft front 5 ft side 30 ft rear	15ft min/40max front 20ft side 30ft rear
Minimum Parking	1 space/unit 0 bicycle parking	1.5 space/unit 0 bicycle parking	2 spaces/unit 1 bicycle parking space/5units

At its meeting of February 21, 2013, the Planning Commission reviewed the new information contained in the staff report, and after discussion, reaffirmed its recommendation for R3 zoning.

## NEIGHBORHOOD PARKLAND

The current Parks, Recreation and Open Space Plan does not recommend acquiring additional parkland in the area surrounding the Summit Townhomes site. Parks staff has indicated that the area surrounding the parcel is well served by existing parks. The petitioner has proposed a playground structure with several benches and a picnic table to address residential needs in response to Parks staff recommendation for recreation amenities on-site to serve residents of the proposed development.
