Resolution to Amend FY 2014 Budget to Transfer \$600,000 from the Ann Arbor Housing Trust Fund to the Ann Arbor Housing Commission, for the Rehabilitation of Phase I LIHTC Properties and to Approve the Affordable Housing Agreement (**8 Votes Required**)

Attached for your review and approval is a resolution to allocate \$600,000 in Ann Arbor Housing Trust Funds (AAHTF) to the Ann Arbor Housing Commission (Commission) or an affiliated entity to rehabilitate 251 units of affordable housing for low-income individuals at Miller Manor, Maple Meadows, Green-Baxter Court, Hikone, and Baker Commons. The Commission is converting the property from Public Housing to Project Based Vouchers under the Rental Assistance Demonstration (RAD) program. The redevelopment funding includes Low Income Housing Tax Credits (LIHTC), Ann Arbor DDA funds, CDBG, AAHTF, and a bank loan.

The Internal Revenue Service (IRS) requires the Commission or an affiliated entity to form a limited partnership or limited liability company with a LIHTC equity investor in order to finance the redevelopment of these properties with LIHTC. The AAHC is forming a limited partnership with Redstone Equity Partners. The Commission has requested that City Council approve the transfer of ownership of these properties to the Commission under a separate resolution. The Commission will own the land and the Commission will execute a long-term land lease with the limited partnership for the improvements (buildings).

Under the RAD program, all existing households, in good standing with their lease, will retain their housing after the units are converted under the RAD program. After the conversion, all new tenants will have household income at 50% of the Area Median Income or less with at least 70% of the households having an income of 30% AMI or less. The majority of tenants are disabled and/or elderly. As the property managers, the Commission will be responsible for the tenant intake, lease-up, compliance, and property maintenance.

The project is a permanent supportive housing project which is consistent with the City's

Consolidated Strategy and Plan and the Blueprint to End Homelessness. Services will be provided through partnerships with Community Support and Treatment Services, Catholic Social Services, Peace Neighborhood Center, Community Action Network, Avalon Housing and the Veteran's Administration.

The City Attorney's office will review the legal and contractual documents to ensure that the Commission will comply with the requirements in the AAHTF regulations. It will be the responsibility of the Office of Community Development to monitor the Commission for compliance with these regulations.

The Housing and Human Services Advisory Board (HHSAB), at its meeting on February 13, 2014, reviewed the Commission's request and recommended approval of \$600,000 in AAHTF funding, contingent on proceeds from the sale of the former YMCA lot. On March, 3, 2014 City Council directed the City Administrator to prepare a budget amendment to allocate \$600,000 from the AAHTF and submit it as part of the agenda after receipt of funding from the sale of the former YMCA lot (R-14-066).

The Commission will loan the funds to the limited partnership as required by the IRS to secure Low Income Housing Tax Credits. The loan will be a maximum of 2% interest loan to be repaid only if there is cash-flow from the property, and it will be forgiven upon the dissolution of the limited partnership.
