Resolution to Approve a Mental Health Court Planning Grant Contract with the Michigan Supreme Court State Court Administrative Office and to Accept and Allocate Funds Pursuant to Contract (\$113,154.00) **(8 Votes Required)**

This resolution seeks Council approval for a grant contract with the Michigan Supreme Court State Court Administrative Office (SCAO) to fund the planning and establishment of the 15th Judicial District Court Mental Health Court program, and further seeks authorization to accept and allocate grant funds from the State Court Administrative Office Michigan Mental Health Court Planning Grant Program (SCAO-MMHCGP) without regard to City Fiscal Year.

Mental Health Courts are problem-solving courts that focus on therapeutic treatment for offenders with mental illnesses whose crimes are a result of their mental illness. Eligible defendants are diverted into judicially supervised, community-based treatment to address the underlying problems. The program uses a team approach to address the participant’s needs for mental health and/or substance abuse treatment while also linking the participant with ancillary services such as education, housing, job skills or other individualized assistance. The goal is to assist participants in bettering their lives while also benefiting the community by reducing jail time, recidivism rates, and court docket congestion.
