Resolution to Approve a Contract with Ann Arbor SPARK for Economic Development Services (\$75,000.00)

Attached for your consideration is a resolution to approve a contract with Ann Arbor SPARK. SPARK will conduct economic development activities, helping the City make progress on City Council's economic health priority area.

SPARK attracts new businesses, specifically technology companies. By providing continuous communications mechanisms between higher education, government, and the private and non-profit sectors, SPARK addresses the City and region's economic development needs and concerns.

Although SPARK has a regional mission, the contract specifies that services will be provided to the City, with specific deliverables. The deliverables are the attraction and retention of companies that add or maintain taxable value and add or retain jobs. Specific deliverables also include supporting the outcomes from City Council's Economic Collaborative Task Force.

Funding for the contract is in the FY2015 budget for \$75,000.00.
