Resolution to Accept and Appropriate Emergency Management Performance Grant Funds and Approve FY 2014 Funding Assistance Grant Agreement for Ann Arbor Emergency Management Program ($42,582.00) **(8 Votes Required)**

The State of Michigan Emergency Management Division has awarded the City of Ann Arbor a performance grant to support emergency management functions within the City. This is a reimbursement grant program for staffing.

Historically, this grant funds a portion of a designated Emergency Manager's salary The FY 2014 grant allocation is 38.0896% of salary of the designated position or $42,582.00. The allocation is not guaranteed and is dependent on the continued availability of federal funding for the State of Michigan Emergency Management Performance Grant Program.

The Department of Homeland Security (DHS) requires signed grant agreements with the Michigan State Police/Emergency Management and Homeland Security Division, who administers the grant program, and all local jurisdictions that receive grant funds.

If approved, this resolution would (1) formally accept the grant award, (2) authorize the Mayor to sign the grant agreement and (3) appropriate these funds when received to the Office of Emergency Management for expenditure without regard to fiscal year.
