Resolution to Revise Resolution 15-102 Approving Street Closures for the Ann Arbor Summer Festival's "Top of the Park" to Close North University Instead of East Washington
Attached for your consideration is a request for a revision to previously approved Resolution R-15-102, which requested a street closure of East Washington from Fletcher to Thayer Streets for Top of the Park activities from June 8 through July 8, 2015. Due to construction on the North Ingalls Mall, the Festival has moved to North University for 2015. Resolution R-15-102 inadvertently included an incorrect street closure description but the map included in the said Resolution correctly reflected the use of North University.

It is recommended that Council approve the revision of Resolution R-15-102 to reflect the closing of North University from Fletcher to Thayer Streets instead of East Washington.
