Resolution to Approve the Purchase of Sanitary and Storm Sewer Inspection Software from Infrastructure Technologies, LLC. (\$50,305.00; RFP 17-10)

Attached for your review and consideration is a resolution authorizing \$50,305.00 for the purchase of sanitary and storm sewer inspection software from Infrastructure Technologies, LLC.

The Request for Proposal was advertised on the City's Website and on the Michigan Intergovernmental Trade Network (MITN) Website. Two bids were publicly opened on May 9, 2017. Infrastructure Technologies was determined to be the lowest responsible bidder for sanitary and storm sewer inspection software.

The recommended purchase order to Infrastructure Technologies, LLC for sanitary and storm sewer inspection software will replace the City's current functionality provided by PipeLogix. The new inspection and reporting software is a solution that is user friendly, provides comprehensive reporting and integrates with ESRI GIS and Cityworks.

Budget/Fiscal Impact: Funding is available in the approved FY18 Stormwater (\$15,091.50) and Sewage Disposal System (\$35,213.50) Operations and Maintenance Budget.

Infrastructure Technologies complies with the City's Non Discrimination, and Living Wage ordinances.
