### Resolution Authorizing General Obligation Capital Improvement Bonds (Downtown Development Project) and Amending the Budget by \$15,500,000 (8 Votes Required)

On August 9, 2018 Council authorized the publication of Notice of Intent to issue general obligation capital improvement bonds in the amount of \$15,500,000.00 for the purpose of financing capital project costs that will include various street, bikeway, sidewalk, streetlight, utility, landscaping and infrastructure improvements and pedestrian amenities in the downtown development area, including Huron Street (between Chapin/Third and Division), First and Ashley Streets (between Madison and Kingsley), and William Street (between Third and State Streets). The bonds are planned to be repaid in full by the DDA, as a contractual obligation to the City (see separate resolution for a Project Financing Agreement), from the DDA's tax increment revenues received pursuant to Act 197, Public Acts of Michigan, 1975, as amended, and from certain revenues of the City's parking system as managed by the DDA.

Since the forty-five day period for a citizen initiated petition for an election has transpired without said petition, staff recommends Council authorize the issuance of the bonds and amend the city's budget for the receipt and payment of the bond proceeds for the project.

## RESOLUTION AUTHORIZING GENERAL OBLIGATION CAPITAL IMPROVEMENT

**BONDS (DOWNTOWN DEVELOPMENT PROJECT) AND AMENDING THE BUDGET BY  
\$15,500,000.00 (8 VOTES)**

Minutes of a regular meeting of the City Council of the City of Ann Arbor, County of Washtenaw, State of Michigan held on the 15th day of October, 2018, at 7:00 o'clock p.m. Eastern Time.

PRESENT: Councilmembers Warpehoski, Lumm, Kailasapathy, Eaton, Grand, Westphal, Ackerman, Smith, Bannister, Mayor Taylor, 10;

ABSENT: Councilmember Krapohl, 1;

The following preamble and resolution were offered by Councilmember Warpehoski and supported by Councilmember Lumm:

WHEREAS, The City of Ann Arbor, County of Washtenaw, State of Michigan (the "City") proposes to issue and sell general obligation capital improvement bonds, pursuant to the Revised Municipal Finance Act, Act 34, Public Acts of Michigan, 2001, as amended ("Act 34"), in an aggregate principal amount not to exceed Fifteen Million Five Hundred Thousand Dollars (\$15,500,000.00) (the "Bonds"), at the request of the Ann Arbor Downtown Development Authority (the "DDA"), for the purpose of financing a substantial portion of certain capital project costs within the DDA's downtown development area pursuant to the DDA's Development Plan and Tax Increment Financing Plan (the "Plan"); and

WHEREAS, Such capital project costs will include various street, bikeway, sidewalk, streetlight, utility, landscaping and infrastructure improvements and pedestrian amenities in the downtown development area, including Huron Street (between Chapin/Third and Division), First and Ashley Streets (between Madison and Kingsley), and William Street (between Third and State Streets) (collectively, the "Project"); and

WHEREAS, It is proposed that the Bonds be general obligation bonds secured by a pledge of the City's full faith and credit, subject to constitutional, statutory and charter limitations; and

WHEREAS, It is further proposed that the Bonds be primarily payable in full by the DDA, as a contractual obligation to the City, from the DDA's tax increment revenues received pursuant to Act 197, Public Acts of Michigan, 1975, as amended (the "DDA Act"), and from certain revenues of the City's parking system as managed by the DDA, pursuant to a financing contract to be entered into by the City and the DDA; and

WHEREAS, A notice of intent to issue bonds was published in accordance with Section 517 of Act 34, which stated that capital improvement bonds may be issued by the City in an aggregate principal amount not to exceed \$15,500,000 to finance the Project, without a vote of the electors of the City, unless the requisite petitions for an election on the question of the issuance of the bonds are filed with the City Clerk within a period of 45 days from the date of publication, and no petitions were so filed; and

WHEREAS, The City proposes to sell the Bonds by competitive sale, and to delegate to the City Treasurer and, in his absence, the Chief Financial Officer of the City (the "Bond Award Officers") the authority to award the bonds to the lowest bidder based on a true interest cost calculation and to

issue an order awarding bonds, subject to the conditions and parameters set forth herein.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Project. The Project and the period of usefulness of the Project of 20 years or more are hereby approved and confirmed.

2. Bond Details. The City shall borrow not to exceed \$15,500,000.00 and issue its bonds therefor (the "Bonds"), pursuant to Act 34, for the purposes of paying the costs of the Project and the costs of issuing the Bonds. The Bonds shall be issued in calendar year 2019. The Bonds shall be designated as "City of Ann Arbor 2019 Capital Improvement Bonds, Series A (Limited Tax General Obligation)." The Bonds shall be fully registered Bonds, both as to principal and interest, registrable upon the books of the Bond Registrar (as hereinafter defined), and may be issued in any denomination which is \$5,000.00, or any integral multiple thereof up to a single maturity, numbered from 1 upwards. Bonds initially issued shall be dated the date of their original issuance and delivery, and shall bear interest payable semi-annually from that date or from the May 1 or November 1 through which interest has been paid. The Bonds shall mature serially on May 1 of each year in the period from 2020 through 2033, inclusive, in the following principal amounts (aggregating \$15,500,000.00):

<u>Year</u>	<u>Amount</u>
2020	\$825,000.00
2021	\$955,000.00
2022	\$980,000.00
2023	\$1,005,000.00
2024	\$1,035,000.00
2025	\$1,065,000.00
2026	\$1,095,000.00
2027	\$1,125,000.00
2028	\$1,155,000.00
2029	\$1,185,000.00
2030	\$1,220,000.00
2031	\$1,250,000.00
2032	\$1,285,000.00
2033	\$1,320,000.00

The Bond Award Officers may adjust such maturity schedule and principal amounts prior to sale of the Bonds as required by changes in costs the Project, bond market conditions or legal requirements, within the maximum principal amount of \$15,500,000.00, and with the final maturity date being not later than May 1, 2033. Additionally, the City shall reserve the right to decrease the aggregate principal amount of the Bonds stated in the notice of sale of the Bonds after receipt of bids and prior to the award of the Bonds, through adjustments of the principal amount of any one or more maturities selected by the Bond Award Officers, provided that such adjustments will be made in increments of \$5,000.00, and subject to the authorized \$15,500,000.00 maximum aggregate principal amount of the Bonds.

The initial purchaser of the Bonds may designate any one or more maturities as term bonds and the consecutive maturities which shall be aggregated in any such term bonds. Any such designation must be made within 24 hours of the bond sale. The amounts of the maturities which are aggregated in any such designated term bond shall be subject to mandatory redemption on May 1 of the years and in the amounts as set forth in the foregoing maturity schedule (subject to adjustment as provided above) at a redemption price of par, plus accrued interest, to the date of mandatory

redemption.

The Bonds shall be in substantially the form attached as Exhibit A, with such changes, additions or deletions as are not inconsistent with this resolution.

3. Interest Payment and Date of Record. The Bonds shall bear interest payable November 1, 2019 and each May 1 and November 1 thereafter until maturity, with the rate of interest on Bonds maturing in any one year being not in excess of 6.0%. The rate of interest borne by any one maturity of Bonds shall not be less than the interest rate borne by the preceding maturity, and shall not exceed the interest rate borne by any preceding maturity by more than 3.0%. Interest shall be paid by check or draft mailed by first class mail to the registered owner of each Bond as of the applicable date of record. The date of record shall be April 15 with respect to interest payments made on May 1 and October 15 with respect to interest payments made on November 1.

4. Prior Redemption. The Bonds maturing in the years 2020 through 2029, inclusive, shall not be subject to redemption prior to maturity. Bonds maturing on and after May 1, 2030 shall be subject to redemption prior to maturity, at the option of the City, in whole or in part, on any date on and after May 1, 2029, at par plus accrued interest to the date fixed for redemption, without premium.

With respect to partial redemptions, any portion of a Bond outstanding in a denomination larger than the minimum authorized denomination may be redeemed provided such portion and the amount not being redeemed each constitutes an authorized denomination. In the event that less than the entire principal amount of a Bond is called for redemption, upon surrender of the Bond to the Bond Registrar, the Bond Registrar shall authenticate and deliver to the registered owner of the Bond a new Bond in the principal amount of the principal portion not redeemed.

Notice of redemption shall be sent to the registered holder of each Bond being redeemed by first class mail at least thirty (30) days prior to the date fixed for redemption, which notice shall fix the date of record with respect to the redemption if different than otherwise provided herein. Any defect in such notice shall not affect the validity of the redemption proceedings. Bonds so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the Bond Registrar to redeem the same.

5. Bond Registrar. A financial institution to serve as the paying agent and bond registrar for the Bonds (the "Bond Registrar") shall be appointed in the Sale Order (as defined in Section 19), and shall perform all payment, registration, transfer, exchange and other functions otherwise required by this resolution to be performed by the Bond Registrar.

6. Transfer or Exchange of Bonds. Any Bond shall be transferable on the bond register maintained by the Bond Registrar with respect to the Bonds at any time prior to the applicable date of record preceding an interest payment date upon the surrender of the Bond together with an assignment executed by the registered owner or his or her duly authorized attorney in form satisfactory to the Bond Registrar. Upon receipt of a properly assigned Bond, the Bond Registrar shall authenticate and deliver a new Bond or Bonds in equal aggregate principal amount and like interest rate and maturity to the designated transferee or transferees.

Bonds may likewise be exchanged at any time prior to the applicable date of record preceding an interest payment date for one or more other Bonds with the same interest rate and maturity in authorized denominations aggregating the same principal amount as the Bond or Bonds being exchanged. Such exchange shall be effected by surrender of the Bond to be exchanged to the Bond Registrar with written instructions signed by the registered owner of the Bond or his or her attorney in form satisfactory to the Bond Registrar. Upon receipt of a Bond with proper written instructions, the Bond Registrar shall authenticate and deliver a new Bond or Bonds to the registered owner of the Bond or his or her properly designated transferee or transferees or attorney.

The Bond Registrar shall not be required to honor any transfer or exchange of Bonds during the period from the applicable date of record preceding an interest payment date to such interest payment date. Any service charge made by the Bond Registrar for any such registration, transfer or exchange shall be paid by the City. The Bond Registrar may, however, require payment by a bondholder of a sum sufficient to cover any tax or other governmental charge payable in connection with any such registration, transfer or exchange.

7. Global Form; Securities Depository.

(a) Except as otherwise provided in this Section, the Bonds shall initially be issued in the form of global Bonds, shall be registered in the name of the Securities Depository (as defined below) or its nominee and ownership thereof shall be maintained in book entry form by the Securities Depository for the account of the Agent Members (as defined below) thereof. Except as provided in subsection (c) of this Section, Bonds may be transferred, in whole but not in part, only to the Securities Depository or a nominee of the Securities Depository, or to a successor Securities Depository selected by the City, or to a nominee of such successor Securities Depository.

(b) The City and the Bond Registrar shall have no responsibility or obligation with respect to:

(i) the accuracy of the records of the Securities Depository or any Agent Member with respect to any beneficial ownership interest in the Bonds;

(ii) the delivery to any Agent Member, beneficial owner of the Bonds or other person, other than the Securities Depository, of any notice with respect to the Bonds;

(iii) the payment to any Agent Member, beneficial owner of the Bonds or other person, other than the Securities Depository, of any amount with respect to the principal of, premium, if any, or interest on, the Bonds;

(iv) any consent given by Cede & Co., as Bondholder of the Bonds or any successor nominee of a Securities Depository as Bondholder of such Bonds; or

(v) the selection by the Securities Depository or any Agent Member of any beneficial owners to receive payment if any Bonds are redeemed in part.

So long as the certificates for the Bonds are not issued pursuant to subsection (c) of this Section, the City and the Bond Registrar may treat the Securities Depository as, and deem the Securities Depository to be, the absolute owner of such Bonds for all purposes whatsoever, including without limitation:

(A) the payment of principal, premium, if any, and interest on such Bonds;

(B) giving notices of redemption and other matters with respect to such Bonds; and

(C) registering transfers with respect to such Bonds.

(c) If at any time the Securities Depository notifies the City or the Bond Registrar that it is unwilling or unable to continue as Securities Depository with respect to the Bonds or if at any time the Securities Depository shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor Securities Depository is not appointed by the City within 90 days after the City or the Bond Registrar receives notice or becomes aware of such condition, as the case may be, subsections (a) and (b) of this Section shall no longer be applicable and the City shall execute and the Bond Registrar shall authenticate and deliver certificates representing the Bonds as provided in subsection (d) below. In addition, the City may determine at any time that the Bonds shall no longer be represented by global certificates and that the provisions of subsections (a) and (b) above shall no longer apply to the Bonds. In any such event the City shall execute and the Bond Registrar shall authenticate and deliver certificates representing the Bonds as provided in subsection (d) below.

(d) Certificates for the Bonds issued in exchange for global certificates shall be registered in such names and authorized denominations as the Securities Depository, pursuant to instructions from the Agent Members or otherwise, shall instruct the City and the Bond Registrar. The Bond Registrar shall deliver such certificates representing the Bonds to the persons in whose names such Bonds are so registered as soon as possible.

As used in this Resolution, "Securities Depository" shall mean the Depository Trust Company, New York, New York ("DTC") and its successors and assigns if any or if (i) the then-Securities Depository resigns from its functions as depository of the Bonds or (ii) the City discontinues use of the then-Securities Depository pursuant to this Section 7, any other securities depository which agrees to follow the procedures required to be followed by a securities depository in connection with the Bonds and which is selected by the City.

As used in this Resolution, "Agent Member" shall mean a member of, or participant in, the Securities Depository.

The Authorized Officers (as defined below) are hereby authorized and directed to execute the standard form of DTC Letter of Representations relating to the Bonds (or a DTC Blanket Issuer Letter of Representations).

Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, to DTC as provided in the Letter of Representations.

8. Execution and Delivery. The Mayor and the City Clerk are authorized and directed to execute the Bonds for and on behalf of the City by manually executing the Bonds, or by causing their facsimile signatures to be affixed to the Bonds, provided in the latter instance the Bonds are thereafter authenticated by the Bond Registrar. The Bonds shall be sealed with the seal of the City or a facsimile thereof. When so executed, the Bonds shall be delivered by the City Treasurer to the Bond Registrar for authentication, and thereafter to the purchaser upon receipt in full of the purchase price for the Bonds.

9. Bond Payment Fund. The City shall establish a separate depository account, to be designated "City of Ann Arbor 2019 Capital Improvement Bonds, Series A Bond Payment Fund" (the "Bond Payment Fund"), into which shall be deposited the funds remitted by the DDA pursuant to the DDA Financing Contract (as set forth in Section 12 below), and tax collections and other available funds to the extent provided in Section 11 below. Additionally, all accrued interest, if any, received from the purchaser of the Bonds, shall be deposited in the Bond Payment Fund.

Moneys in the Bond Payment Fund shall be used solely to pay principal of and premium, if any, and interest on the Bonds.

Moneys in the Bond Payment Fund may be continuously invested and reinvested in any legal investment for City funds, which shall mature, or which shall be subject to redemption by the holder thereof, not later than the dates when moneys in the Bond Payment Fund will be required to pay the principal of and interest on the Bonds. Obligations purchased as an investment of moneys of the Bond Payment Fund shall be deemed at all times to be a part of such fund, and the interest accruing thereon and any profit realized from such investment shall be credited to such fund.

10. Project Fund. The City shall establish a separate depository account, to be designated "City of Ann Arbor 2019 Capital Improvement Bonds, Series A Project Fund" (the "Project Fund"). Except for amounts required by this resolution to be deposited in the Bond Payment Fund, the proceeds from the sale of the Bonds shall be deposited in the Project Fund.

Moneys at any time in the Project Fund shall be used solely to pay costs of the Project, including the costs of issuance of the Bonds, except that upon payment (or provision for payment) in full of the costs of Project any remaining moneys in the Project Fund shall be transferred to the Bond Payment Fund (if any Bonds are outstanding) or applied as required by law or the ordinances of the City.

Moneys in the Project Fund may be continuously invested and reinvested in any legal investment for City funds, which shall mature, or which shall be subject to redemption by the holder thereof, not later than the estimated dates when moneys in the Project Fund will be required to pay the costs of the Project. Obligations purchased as an investment of moneys of the Project Fund shall be deemed at all times to be a part of such fund, and the interest accruing thereon and any profit realized from such investment shall be credited to such fund.

11. Limited Tax Pledge as Further Security for Payment of Bonds. The City hereby irrevocably pledges its full faith and credit for the payment of principal of and interest on the Bonds, and shall as a first budget obligation advance sufficient moneys from its general funds for such payments, including the collection of any ad valorem taxes which the City is authorized to levy, but any such levy shall be subject to applicable constitutional, charter and statutory tax rate limitations.

12. DDA Financing Contract. The issuance and sale of the Bonds shall be subject to the execution of a

financing contract by the City and the DDA in form and substance approved by the City Council following review by the City Attorney and bond counsel, providing for, among other matters, the timely remittance by the DDA of the DDA's tax increment revenues received pursuant to the DDA Act and, as necessary, parking system revenues, in amounts sufficient to fund all payments of principal of and interest on the Bonds on a timely basis as such become due, such remittances being intended to be the primary source of payment of the Bonds in full.

13. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Mayor and City Clerk may, on behalf of the City, execute and deliver, or order the Bond Registrar to authenticate and deliver, a new Bond having a number not then outstanding, of like date, maturity, interest rate and denomination as that mutilated, lost, stolen or destroyed Bond.

In the case of a mutilated Bond, a replacement Bond shall not be delivered unless and until such mutilated Bond is surrendered to the Bond Registrar. In the case of a lost, stolen or destroyed Bond a replacement Bond shall not be delivered unless and until the City and the Bond Registrar shall have received such proof of ownership and loss and indemnity as they determine to be sufficient, which shall consist at least of (i) a lost instrument bond for principal and interest remaining unpaid on the lost, stolen or destroyed Bond; (ii) an affidavit of the registered owner (or his or her attorney) setting forth ownership of the Bond lost, stolen or destroyed and the circumstances under which it was lost, stolen or destroyed; (iii) the agreement of the owner of the Bond (or his or her attorney) to fully indemnify the City and the Bond Registrar against loss due to the lost, stolen or destroyed Bond and the issuance of any replacement Bond in connection therewith; and (iv) the agreement of the owner of the Bond (or his or her attorney) to pay all expenses of the City and the Bond Registrar in connection with the replacement, including the transfer and exchange costs which otherwise would be paid by the City.

14. Arbitrage and Tax Covenants. Notwithstanding any other provision of this Resolution, the City covenants that it will not at any time or times:

(a) Permit any proceeds of the Bonds or any other funds of the City or under its control to be used directly or indirectly (i) to acquire any securities or obligations, the acquisition of which would cause any Bond to be an "arbitrage bond" as defined in Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), or (ii) in a manner which would result in the exclusion of any Bond from the treatment afforded by Section 103(a) of the Code by reason of the classification of any Bond as a "private activity bond" within the meaning of Section 141(a) of the Code, as a "private loan bond" within the meaning of Section 141(a) of the Code or as an obligation guaranteed by the United States of America within the meaning of Section 149(b) of the Code; or

(b) Take any action, or fail to take any action (including failure to file any required information or other returns with the United States Internal Revenue Service or to rebate amounts to the United States, if required, at or before the time or times required), within its control which action or failure to act would (i) cause the interest on the Bonds to be includible in gross income for federal income tax purposes or cause the interest on the Bonds to be includible in computing any alternative minimum tax (other than the alternative minimum tax applicable to interest on all tax-exempt obligations generally) or (ii) adversely affect the exemption of the Bonds and the interest thereon from State of Michigan income taxation.

15. Not Qualified Tax-Exempt Obligations. The Bonds shall not be designated as "qualified tax-exempt obligations" for purposes of deduction of interest expense by financial institutions under the provisions of Section 265(b)(3)(B) of the Code.

16. Defeasance or Redemption of Bonds. If at any time,

(a) the whole amount of the principal of and interest on all outstanding Bonds shall be paid, or

(b) (i) sufficient moneys, or Government Obligations (as defined in this Section) not callable prior to maturity, the principal of and interest on which when due and payable will provide sufficient moneys, to pay the whole amount of the principal of and premium, if any, and interest on all outstanding Bonds as and when due at maturity or upon redemption prior to maturity shall be deposited with and held by a trustee or an escrow agent for the purpose of paying the principal of and premium, if any, and interest on such Bonds as and when due, and (ii) in the case of redemption prior to maturity, all outstanding Bonds shall have been duly called for redemption (or irrevocable instructions to call such Bonds for redemption shall have been given), then, at the time of the payment referred to in clause (a) of this Section or of the deposit referred to in clause (b) of this Section, the City shall be released from all further obligations under this

resolution, and any moneys or other assets then held or pledged pursuant to this resolution for the purpose of paying the principal of and interest on the Bonds (other than the moneys deposited with and held by a trustee or an escrow agent as provided in clause (b) of this Section) shall be released from the conditions of this resolution, paid over to the City and considered excess proceeds of the Bonds. In the event moneys or Government Obligations shall be so deposited and held, the trustee or escrow agent holding such moneys or Government Obligations shall, within thirty (30) days after such moneys or Government Obligations shall have been so deposited, send written notice to the registered owners of the Bonds, setting forth (x) the date or dates, if any, designated for the redemption of the Bonds, (y) a description of the moneys or Government Obligations so held by it and (z) that the City has been released from its obligations under this resolution. All moneys and Government Obligations so deposited and held shall be held in trust and applied only to the payment of the principal of and premium, if any, and interest on the Bonds at maturity or upon redemption prior to maturity, as the case may be, as provided in this Section.

The trustee or escrow agent referred to in this Section shall (a) be a bank or trust company permitted by law to offer and offering the required services, (b) be appointed by an Authorized Officer (as defined herein) and (c) at the time of its appointment and so long as it is serving as such, have at least \$25,000,000 of capital and unimpaired surplus. The same bank or trust company may serve as trustee or escrow agent under this Section and as Bond Registrar so long as it is otherwise eligible to serve in each such capacity.

As used in this Section, the term "Government Obligations" means direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America.

17. Discount and Premium. The Bonds may be purchased at a discount of no greater than 0.00% or with a premium of no greater than 5.0%.

18. Official Notice of Sale. The Bonds shall be advertised and sold, and sealed or electronic proposals for their purchase shall be received, at a time to be later determined by the Treasurer. Notice of the sale of the Bonds shall be published in accordance with the law in The Bond Buyer or such other publication approved for such purpose by the Local Audit & Finance Division of the Michigan Department of Treasury, which Notice shall be in substantially the form of Exhibit B attached hereto.

19. Sale Order. The Treasurer or, in his absence, the Chief Financial Officer are authorized to execute and deliver an order on behalf of the City awarding the Bonds to the bidder whose bid produces the lowest true interest cost, which may not exceed 6.00%, as determined by such officers and the City's financial advisors in the manner provided in the Notice of Sale (the "Sale Order").

20. Execution and Delivery of Required Documents. The Mayor, City Clerk, Treasurer and Chief Financial Officer (each an "Authorized Officer"), or any one of them, are authorized on behalf of the City to apply for such rulings, orders and approvals and file or submit appropriate elections or other documents to any federal, state or local governmental agency in order that the Bonds may be validly issued and, if applicable, cause the interest thereon to be exempt from federal income taxation. Such Authorized Officers, or any one of them, are further authorized to execute and deliver such other certificates, documents, instruments and other papers as may be required or may be necessary or convenient to effectuate the valid sale and delivery of the Bonds as tax-exempt bonds in accordance with the terms thereof. The Authorized Officers, or any one of them, are authorized and directed to approve the circulation of a Preliminary and a final official statement describing the Bonds and providing information relative to the City, and to deem the Preliminary official statement "final" for purposes of Securities and Exchange Commission Rule 15c2-12 (the "Rule"), subject to the applicability of an exemption from the Rule.

21. Filings with Local Audit & Finance Division. The Authorized Officers are, and each is, hereby authorized and directed to make all necessary filings with the Local Audit and Finance Division of the Michigan Department of Treasury with respect to the issuance and sale of the Bonds, including a post-issuance Security Report, and to pay all fees required in connection therewith.

22. Continuing Financial Disclosure. The City shall provide continuing financial disclosure in compliance with the Rule during the term of the Bonds, subject to applicable exemptions from the requirements of the Rule. The Authorized Officers are each authorized and directed on behalf of the City to take all necessary action and to execute and deliver such documents as may be required to satisfy the City's obligations under the Rule.

23. Contract. The provisions of this resolution shall constitute a contract between the City and the holder or

holders of the Bonds from time to time, and after the issuance of such Bonds, no change, variation or alternation to the provisions of this resolution may be made which would lessen the security for the Bonds. The provisions of this resolution shall be enforceable by appropriate proceedings taken by such Bondholder either at law or in equity.

24. Conflicting Resolutions. All resolutions and parts of resolutions in conflict with the foregoing are hereby rescinded.

25. Budget Amendment: Amend the City's FY2019 budget to create a new 2018 DDA Capital Improvement fund with budgeted revenues and expenditure for \$15,500,000 without regard to fiscal year and appropriate these funds for the purpose of the bond issuance as well as all bond closing costs.

The full faith and credit of the City is pledged for the payment of the principal of and interest on the Bonds, which are payable as a first budget obligation from its general funds, and the City is required if necessary to levy ad valorem taxes on all taxable property in the City for the payment thereof, provided that the City does not have the power to levy any tax for the payment of the Bonds in excess of its charter, statutory and constitutional limits.

The Bonds have not been designated by the City as "qualified tax-exempt obligations" for purposes of the deduction of interest expense by financial institutions under the provisions of Section 265 of the Internal Revenue Code of 1986, as amended.

This Bond is transferable by the Registered Owner at any time. Registration of any transfer may be made in person or by an attorney duly authorized in writing at the principal corporate trust office of the Bond Registrar in \_\_\_\_\_, Michigan. With respect to partial redemptions, any portion of a Bond outstanding in a denomination larger than the minimum authorized denomination may be redeemed provided such portion and the amount not being redeemed each constitutes an authorized denomination. In the event that less than the entire principal amount of a Bond is called for redemption, upon surrender of the Bond to the Bond Registrar, the Bond Registrar shall authenticate and deliver to the registered owner of the Bond a new Bond in the principal amount of the principal portion not redeemed.

Notice of redemption shall be sent to the registered holder of each Bond being redeemed by first class mail at least thirty (30) days prior to the date fixed for redemption, which notice shall fix the date of record with respect to the redemption if different than otherwise provided herein. Any defect in such notice shall not affect the validity of the redemption proceedings. Bonds so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the Bond Registrar to redeem the same.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in connection with the issuance of this series of Bonds, existed, have happened and have been performed in due time, form and manner, as required by the Constitution and statutes of the State of Michigan, and that the amount of this Bond together with all other indebtedness of the City does not exceed any charter, statutory or constitutional limitation.

**GOOD FAITH DEPOSIT MUST BE MADE AND RECEIVED** following the award of the bonds as described in the section captioned "Good Faith Deposit" below.

**DTC BOOK-ENTRY ONLY:** The bonds are being initially offered as registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company, New York, New York ("DTC") under DTC's Book-Entry-Only system of registration. Purchasers of interests in the Bonds (the "Beneficial Owners") will not receive physical delivery of bond certificates and ownership by the Beneficial Owners of the bonds will be evidenced by book-entry-only. As long as Cede & Co. is the registered owner of the bonds as nominee of DTC, payments of principal and interest will be made directly to such registered owner which will in turn remit such payments to the DTC participants for subsequent disbursement to the Beneficial Owners.

**BOND DETAILS:** The bonds shall be known as "2019 Capital Improvement Bonds, Series A (Limited Tax General Obligation)" and shall aggregate the principal sum of \$\_\_\_\_\_ (subject to adjustment as described below). The bonds will be fully registered bonds in any denomination of \$5,000 or multiples thereof up to the amount of a single maturity, dated the date of their delivery, numbered from 1 upwards, and will bear

interest from their date payable on November 1, 2019, and semi-annually thereafter. The bonds shall mature on May 1, in the years and principal amounts as follows (subject to adjustment as described below):

2025	\$1,065,000
2026	\$1,095,000
2027	\$1,125,000

2030	\$1,220,000
2031	\$1,250,000
2032	\$1,285,000
2033	\$1,320,000

**TERM BOND OPTION:** The initial purchaser of the bonds may designate any one or more maturities as term bonds and the consecutive maturities which shall be aggregated in any such term bonds. Any such designation must be made within 24 hours of the bond sale. The amounts of the maturities which are aggregated in any such designated term bond shall be subject to mandatory redemption on May 1 of the years and in the amounts as set forth in the foregoing maturity schedule at a redemption price of par, plus accrued interest, to the date of mandatory redemption.

**ADJUSTMENTS TO MATURITY SCHEDULE AND PURCHASE PRICE FOLLOWING SALE:** The City reserves the right to decrease the aggregate principal amount of the bonds after receipt of bids and prior to the award of the bonds, through adjustments of the principal amount of any one or more maturities selected by the City, provided that such adjustments will be made in increments of \$5,000, and subject to a maximum aggregate principal amount of the bonds of \$15,500,000. In the case of any such adjustments, the purchase price of the bonds submitted by the bidder to whom the bonds are to be awarded will be adjusted proportionately to the adjustment in the principal amount of the bonds and in such manner as to maintain as comparable an underwriter spread as possible to that contained in the bid.

**OPTIONAL REDEMPTION:** The Bonds maturing in the years 2020 through 2029, inclusive, shall not be subject to optional redemption prior to maturity. Bonds maturing on and after May 1, 2030 shall be subject to redemption prior to maturity, at the option of the City, in whole or in part, on any date on and after May 1, 2029, at par plus accrued interest to the date fixed for redemption, without premium or penalty.

With respect to partial redemptions, any portion of a Bond outstanding in a denomination larger than the minimum authorized denomination may be redeemed provided such portion and the amount not being redeemed each constitutes an authorized denomination. In the event that less than the entire principal amount of a Bond is called for redemption, upon surrender of the Bond to the Bond Registrar, the Bond Registrar shall authenticate and deliver to the registered owner of the Bond a new Bond in the principal amount of the principal portion not redeemed.

Notice of redemption shall be sent to the registered holder of each Bond being redeemed by first class mail at least thirty (30) days prior to the date fixed for redemption, which notice shall fix the date of record with respect to the redemption if different than otherwise provided herein. Any defect in such notice shall not affect the validity of the redemption proceedings. Bonds so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the Bond Registrar to redeem the same.

**INTEREST RATE AND BIDDING DETAILS:** Bonds will bear interest at a rate or rates not exceeding 6.0% per annum, to be fixed by the bids therefor, expressed in multiples of 1/8 or 1/20 of 1%, or both. THE RATE OF INTEREST BORNE BY ANY ONE MATURITY OF BONDS SHALL NOT BE LESS THAN THE INTEREST RATE BORNE BY THE PRECEDING MATURITY, AND SHALL NOT EXCEED THE INTEREST RATE BORNE BY ANY PRECEDING MATURITY BY MORE THAN 3.0%. The interest on any one bond shall be at one rate only, and all bonds maturing in any one year must carry the same interest rate. No proposal for the purchase of less than all of the bonds or at a price less than 100.00% of their par value nor more than 105.00% of their par value will be considered.

**TRANSFER AGENT AND REGISTRATION:** Principal and interest shall be payable at the principal corporate trust office of \_\_\_\_\_, \_\_\_\_\_, Michigan, or such other transfer agent as the City may thereafter designate by notice mailed to the registered owner not less than 60 days prior to any change in transfer agent and which shall be qualified to serve as such in Michigan. Interest shall be paid when due by check or draft mailed to the owner as shown by the registration books of the City as of the 15th day of the month prior to any interest payment date. The Bonds will be transferable only upon the registration books of the City kept by the transfer agent. See "DTC Book-Entry Only" above.

**PURPOSE AND SECURITY:** The bonds are issued pursuant to Act 34, Public Acts of Michigan, 2001, as amended, and a bond authorizing resolution approved by the City Council of the City on October 15, 2018 (the "Bond Resolution"), for the purpose of defraying a substantial portion of the cost of downtown development capital improvements within the City. The City has pledged its limited tax full faith and credit as security for payment of principal and interest. Pursuant to such pledge, the City shall be obligated to pay the principal of and interest on the bonds as a first budget obligation from its general funds, including the collection of any ad valorem taxes which the City is authorized to levy, but any such levy shall be subject to applicable constitutional, charter and statutory tax rate limitations.

**GOOD FAITH DEPOSIT:** A deposit in an amount equal to 1.0% of the final principal amount of the bonds is required as a guarantee of good faith on the part of the bidder, to be delivered to the Treasurer of the City in the form of a cashier's check (or wire transfer of such amount as instructed by the City or its financial advisor) by Noon Eastern Time of the next business day following the sale, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. The good faith deposit will be applied to the purchase price of the bonds. No interest shall be allowed on the good faith deposit. Payment for the balance of the purchase price of the bonds shall be made on the delivery date.

**AWARD OF BONDS:** The bonds will be awarded to the bidder whose bid produces the lowest true interest cost determined in the following manner: the lowest true interest cost will be the single interest rate (compounded on November 1, 2019 and semi-annually thereafter) necessary to discount the debt service payments from their respective payment dates to \_\_\_\_\_, 2019 (the anticipated date of delivery of the bonds) in an amount equal to the price bid, excluding accrued

interest.

**LEGAL OPINION:** Bids shall be conditioned upon the unqualified approving opinion of Dykema Gossett PLLC, attorneys of Bloomfield Hills, Michigan, and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof. The fees of Dykema Gossett PLLC for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue its approving opinion as to the validity of the bonds, Dykema Gossett PLLC has not examined or reviewed any financial information, statements or material contained in any financial documents, statements or material that have been or may be furnished in connection with the authorization, issuance or marketing of the bonds, and accordingly will not express any opinion with respect to the accuracy or completeness of any such financial information, statements or materials.

**CUSIP NUMBERS:** CUSIP numbers will be imprinted on the bonds at the City's expense. The printing of incorrect CUSIP numbers or the failure to print CUSIP numbers on the bonds shall not constitute cause for the purchaser to refuse delivery of or to pay for the bonds. The purchaser shall be responsible for requesting assignment of numbers and for the payment of any charges for the assignment of numbers.

**DELIVERY OF BONDS:** The City will furnish bonds ready for execution at its expense. Bonds will be delivered at the principal office of the Bond Registrar, or any other place mutually agreeable, at the expense of the City. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of delivery of the bonds. If the bonds are not tendered for delivery by twelve o'clock noon, Eastern Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw its proposal by serving written notice of cancellation on the undersigned, in which event the City shall promptly return the good faith deposit. Payment for the bonds shall be made in Federal Reserve Funds. The bonds will be delivered in the form of a single certificate for each maturity registered as described above under "DTC Book-Entry Only."

**ISSUE PRICE:** The winning bidder shall assist the City in establishing the issue price of the bonds and shall execute and deliver to the City at closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached either as Appendix \_\_\_ or \_\_\_ of the Preliminary Official Statement, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel. Whether the winning bidder executes the form of issue price certificate in Appendix \_\_\_ or \_\_\_ of the Preliminary Official Statement will depend on how issue price is ultimately established as set forth in detail below (i.e., whether determined with respect to the Competitive Sale Requirements, the 10% Test, or the hold-the-offering-price rule). All actions to be taken by the City under this Notice of Sale to establish the issue price of the bonds may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the Issuer's municipal advisor.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the bonds) will apply to the initial sale of the bonds (the "Competitive Sale Requirements") because:

- a. the City is disseminating this Notice of Sale to potential underwriters in a manner that is

reasonably designed to reach potential underwriters;

- b. all bidders shall have an equal opportunity to bid;
- c. the City anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- d. the City anticipates awarding the sale of the bonds to the bidder who submits a firm offer to purchase the bonds at the lowest true interest cost, as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the bonds, as specified in the bid.

In the event that all of the Competitive Sale Requirements are satisfied, the winning bidder will be expected to certify as to the reasonably expected initial offering price of the bonds to the public.

In the event that all of the Competitive Sale Requirements are not satisfied (e.g. if bids are not received from at least three underwriters all of whom meet the requirements of paragraph c. above), the City shall so advise the winning bidder. The winning bidder in cooperation with the City may determine to treat (i) the first price at which 10% of a maturity of the bonds (the "10% Test") is sold to the public as the issue price of that maturity, and/or (ii) the initial offering price to the public as of the sale date of any maturity for the bonds as the issue price of that maturity (the "hold-the-offering-price rule"), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the City if any maturity of the bonds satisfies the 10% test as of the date and time of the award of the bonds. The City shall promptly advise the winning bidder, at or before the time of award of the bonds, which maturities (and if different interest rates apply within a maturity, which separate CUSIP number within that maturity) of the bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that the City determines to apply the hold-the-offering-price rule to any maturity of the bonds. Bidders should prepare their bids on the assumption that some or all of the maturities of the bonds will be subject to the hold-the-offering-price rule in order to establish the issue price of the bonds.

By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the bonds, that the underwriters will neither offer nor sell unsold bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5<sup>th</sup>) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the City when the underwriters have sold 10% of each maturity of the bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the sale date.

If all of the Competitive Sale Requirements are not satisfied, then until the 10% Test has been satisfied as to each maturity of the bonds, the winning bidder agrees to promptly report to the City the prices at which the unsold bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or

not the closing date has occurred, until either (i) all bonds of that maturity have been sold or (ii) the 10% Test has been satisfied as to the bonds of that maturity, provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or bond counsel.

The City acknowledges that, in making the representations set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, as set forth in the third-party distribution agreement and the related pricing wires. The Issuer further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds.

By submitting a bid, each bidder confirms that:

- a. any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable:
  - 1) to report the prices at which it sells to the public the unsold bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all bonds of that maturity allocated to it have been sold or it is notified by the winning bidder that the 10% Test has been satisfied as to the bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the winning bidder and as set forth in the related pricing wires;
  - 2) to promptly notify the winning bidder of any sales of bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the bonds to the public (each such term being used as defined below), and
  - 3) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.
- b. any agreement among underwriters or selling group agreement relating to the initial sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be

employed in connection with the initial sale of the bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (i) report the prices at which it sells to the public the unsold bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all bonds of that maturity allocated to it have been sold or it is notified by the winning bidder or such underwriter that the 10% Test has been satisfied as to the bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the winning bidder or such underwriter, and (ii) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder or the underwriter and as set forth in the related pricing wires.

Sales of any bonds to any person that is a related party to an underwriter participating in the initial sale of the bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- a. “public” means any person other than an underwriter or a related party,
- b. “underwriter” means (A) any person that agrees pursuant to its submission of a bid or pursuant to a written contract, as applicable, with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the bonds to the public);
- c. a purchaser of any of the bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and
- d. “sale date” means the date that the bonds are awarded by the City to the winning bidder.

**TAX MATTERS:** The approving opinion of bond counsel will include an opinion to the effect that, under existing law, assuming compliance by the City with certain covenants, (i) interest on the bonds is excluded from gross income for federal income tax purposes and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. Such opinion will further state that under existing law the bonds and the interest thereon are exempt from all taxation provided by the laws of the State of Michigan, except estate taxes and taxes on gains realized from the sale, payment or other disposition thereof.

**NOT QUALIFIED TAX EXEMPT OBLIGATIONS:** The bonds have not been designated as “qualified tax exempt obligations” for purposes of the deduction of interest expense by financial institutions.

**OFFICIAL STATEMENT:** The City has made available a Preliminary Official Statement relating to the bonds, a copy of which has been posted to [www.munios.com](http://www.munios.com).

The Official Statement is in a form deemed final as of its date by the City for purposes of SEC

Rule 15c2-12(b)(1), but is subject to revision, amendment and completion of a final Official Statement. The successful bidder shall supply to the City, within 24 hours after the award of the bonds, all pricing information and any underwriter identification determined by the City to be necessary to complete the Official Statement.

The final Official Statement for the bonds will only be made available electronically; no hard copies will be provided to the winning bidder.

The City shall deliver, at closing, an executed certificate to the effect that as of the date of delivery, the information contained in the Official Statement, including revisions, amendments and completions as necessary, relating to the City and the bonds is true and correct in all material respects, and that such Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

CONTINUING DISCLOSURE: The City has undertaken to provide continuing financial disclosure (annual financial information and operating data, including audited financial statements for the preceding fiscal year consistent with the information presented in the Official Statement), and to provide timely notice of the occurrence of certain material events with respect to the bonds, all in accordance with the requirements of SEC Rule 15c2-12.

BOND INSURANCE AT PURCHASER'S OPTION: If the bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the bidder/purchaser, the purchase of any such insurance policy or the issuance of any such commitment shall be at the sole option and expense of the purchaser of the bonds. Any increased costs of issuance of the bonds resulting from such purchase of insurance shall be paid by the purchaser, except that, if the City has requested and received a rating on the bonds from a rating agency, the City will pay the fee for the requested rating. Any other rating agency fees shall be the responsibility of the purchaser. If the successful bidder obtains a municipal bond insurance policy or other credit enhancement for the bonds in connection with their original issuance, the successful bidder will be required to furnish, prior to and as a condition to delivery of the bonds, in form to be prepared by bond counsel, a certificate that the premium therefor will be less than the present value of the interest expected to be saved as a result of such insurance or other credit enhancement. FAILURE OF THE MUNICIPAL BOND INSURER TO ISSUE THE POLICY AFTER THE BONDS HAVE BEEN AWARDED TO THE PURCHASER SHALL NOT CONSTITUTE CAUSE FOR FAILURE OR REFUSAL BY THE PURCHASER TO ACCEPT DELIVERY OF THE BONDS FROM THE CITY.
