An Ordinance to Amend Chapter 55 (Unified Development Code), Rezoning of 3.77 Acres from PUD (Planned Unit Development District) to PUD (Planned Unit Development District), Malletts Wood 1 & 2 PUD Zoning and Supplemental Regulations, 3300 Cardinal Avenue (CPC Recommendation: Approval - 9 Yeas and 0 Nays) (Ordinance No. ORD-19-04)

Approval of this ordinance will zone this property PUD (Planned Unit Development) to allow the construction of single family homes. Approval of this ordinance will also amend the supplemental regulations for the PUD. The property is located in Ward 3.

Petition Summary:

- The proposed PUD benefits are consistent with the previously approved Supplemental Regulations, and include the conveyance of 1.15 acres to Mary Beth Doyle Park, access to that park through the development, limitations placed on setbacks, building height, building size, and placement, the creation of public sidewalks where none now exist, and the protection of existing trees by this proposal's lot layout.
- The petitioner proposes single-family residential uses. These uses are listed in the draft supplemental regulations.
- The petitioner addressed issues raised by Planning Commission by applying the area, height, and placement standards for the R1E Single Family Dwelling District to this PUD, including limiting the size of each dwelling to 2,000 square feet.
- The City Planning Commission, at its meeting of January 15, recommended approval of this

request.
