Resolution Authorizing Storm Sewer Improvement Charges for 2965 Kimberley Rd. (\$3,768.15)  
Your approval is requested to levy storm sewer improvement charges totaling \$3,768.15 on the property known as 2965 Kimberley Rd. This parcel was annexed in 2017. The storm sewer main was constructed by the city in 1972.

City of Ann Arbor Code Chapter 12, Section 1:279, levies against newly-annexed properties their fair share of the cost of local public improvements that benefit them in the form of a local improvement charge. It is therefore recommended that Council levy this improvement charge in an amount equal to \$3,768.15, which may be paid in 4 annual installments, with interest accruing at 3.06% per annum on the unpaid balance.
