An Ordinance to Amend Section 2:64 of Chapter 29 (Sewer Rates) of Title II of the Code of the City of Ann Arbor (ORD-19-12)

Your approval is requested to amend Section 2:64 of Chapter 29 of Title II of the Code of the City of Ann Arbor to increase sewer rates due to the continuing need to recover revenues required for the purposes of debt coverage and increasing operational costs of the sewage disposal system. In addition, revenue from this rate increase will be utilized for capital expenditures required to maintain and rehabilitate the sewer collection system.

The revenue requirement increase of 7% is projected to increase revenues to the Sewage Disposal System by \$1,751,566.00.

City Customers are billed in conjunction with the water and stormwater utility. The increase for the sewer portion of a customer's bill is an estimated \$8.00 per quarter, or \$32.00 annually. For the purposes of this comparison, the bill is calculated as a residential customer, with a 5/8 meter, using 18 CCF per quarter. The early payment discount (10%) is not included in this calculation.

This ordinance is recommended to take effect ten (10) days after legal publication or on July 1, 2019, whichever is later.
