Resolution to Approve Walgreens Site Plan, 1.71 Acres, 2355 Jackson Avenue (CPC Recommendation: Approval - 9 Yeas and 0 Nays)

Attached is a resolution requesting approval of the above site plan for the construction of a 13,650-square foot, single-story Walgreens Pharmacy and a 45-space parking lot. The existing buildings on the site (former Kentucky Fried Chicken and Schlotzsky's Deli) will be removed.

The City Planning Commission, at its meeting of January 22, 2009, recommended approval of the site plan, subject to combination of parcels and subject to recording at a minimum an easement for ingress and egress across the parcel for adjacent property owners prior to the issuance of permits.

At the request of the Planning Commission, the petitioner revised the site plan in order to locate the building closer to Jackson Avenue. In addition, Commission asked that the rear access drive be reconfigured and parking shifted closer to the building in order to maintain access to buildings on adjacent parcels to the west. The revised site plan is attached.
