

Legislation Details (With Text)

File #: 19-1713 **Version:** 1 **Name:** DR19-010; 402 E Huron Street A design plan for a 9-story hotel at 402 E Huron. Brick, in two colors, is the predominant exterior material, with a strong metal panel corner. The base of the building is a transparent storefront, including a canopy at the main corner entrance extending along both sides. The building is set back from East Huron Street to provide a pedestrian plaza along that side, and the project is pursuing LEED Gold certification. A driveway will wrap around the rear of the site to provide vehicle access and valet service.

Type: Report or Communication **Status:** Filed

File created: 9/6/2019 **In control:** Design Review Board

On agenda: **Final action:** 9/11/2019

Enactment date: **Enactment #:**
