Resolution to Waive a Right of First Refusal for a Pending Sale for \$395,000.00 on the Botsford Property (3015 Miller Road)

The Botsford Property at 3015 Miller Road in Scio Township consists of two parcels totaling approximately 20 acres. The property is within the Greenbelt District. Scio Township presently holds a conservation easement over approximately one half of the property, which allows for public access. In the past, there had been discussion about acquiring fee title to the property, so the City obtained a right of first refusal.

Per the terms of the right of first refusal, the owner of the Botsford Property has informed the City of a pending sale. Under the right of first refusal, the City has the option to purchase the property upon the same terms as the pending purchaser. The current pending sale price is \$395,000.00. In 2017, the City obtained an appraisal valuing the property at \$345,000.00. GAC and PAC have not reviewed this proposed sale, but in two past instances where the property was offered to the City at \$450,000.00 and \$415,000.00, they have recommended not proceeding, as the price exceeded the appraised value.

The owner has requested that City Council waive the City's right of first refusal so that they can close their pending sale.
