An Ordinance to Amend the Title of all Sections of and to Add a New Section 7:613 to Chapter 96 (Medical Marijuana Facilities) of Title VII of the Code of the City of Ann Arbor (Ordinance No. ORD-19-31)

The attached ordinance amendment amends Chapter 96 (Medical Marijuana Facilities), which currently requires City permits for medical marijuana facilities, by adding a requirement for a City permit for marijuana establishments. "Marijuana establishments" are businesses that are licensed by the state to engage activities that are commonly referred to as "recreational marijuana" or "adult use" activities under the Michigan Regulation and Taxation of Marijuana Act (MRTMA). MRTMA was an initiative petition submitted to and approved by the voters on November 6, 2018.

The ordinance amendment requires City permits for seven types of businesses, five of which engage in the same type of activities as medical marijuana businesses. There are two new types of business under the MRTMA called designated consumption establishments and microbusinesses, for which the ordinance amendment requires City permits. Two types of licenses added by MRTMA are not "establishments" but rather enable holding temporary events and the ordinance amendment does not require obtaining a City permit under Chapter 96. However, other ordinances applicable to events in general may apply.

For purposes of obtaining a City permit, the ordinance amendment combines as one type of business

a retailer under the MRTMA and a medical marijuana provisioning center, which the ordinance amendment calls a “provisioning center/retailer.” The ordinance amendment requires one City permit for each type of business operating at the same location whether they are operating under the MRTMA, the MMFLA, or both.

The types of businesses the state will license under the MRTMA are as follows:

- **Grower** (cultivates and sells marijuana to other businesses)
- **Processor** (purchases from a grower, extracts resin, and creates a marijuana-infused product for sale)
- **Safety Compliance Facility** (receives marijuana from a another business, tests it, returns the test results)
- **Secure Transporter** (stores marijuana and transports it between businesses).
- **Retailer** (sells marijuana individuals 21 years of age or older; akin to a provisioning center but not limited to selling only to medical marijuana patients)
- **Designated consumption establishment** (commercial space licensed by the state to permit adults 21 years of age and older to consume marijuana products at the location indicated in the license)
- **Microbusiness** (cultivates not more than 150 plants; processes and packages it; and sells it to individuals who are 21 years of age or older or to a safety compliance facility but not to other businesses).
- **Temporary marijuana event** (a license held by a marijuana event organizer for an event where the onsite sale or consumption of marihuana products, or both, are authorized at the location indicated on the state license during the dates indicated on the state license)
- **Marijuana event organizer** (a person licensed to apply for a temporary event license under these rules)

Again, growers, processors, safety compliance facilities, and secure transporters are known by the same names under the MRTMA and the medical marijuana facilities act. Retailers and provisioning centers sell marijuana to individuals but have different names under the two acts. However, for purposes of obtaining a City permit they are considered one business known as a “provisioning center/retailer.”
