Resolution to Approve Lane Closure for University of Michigan Football Games for the Abbreviated 2020 Season

The attached resolution is to approve a request from the University of Michigan to close the Northbound Lane of Main Street between Pauline and Stadium. This closure would be effective one hour before the start of each game through one hour after the conclusion of each game. The football games are expected to begin at either noon, 3:30 p.m. or 7:30 p.m. on the following dates:

- 10/31/2020
- 11/4/2020
- 11/28/2020
- 12/05/2020

The applicant, the University of Michigan, in close collaboration with the U.S. Department of Homeland Security, Ann Arbor Police and other local law enforcements officials, is seeking to enhance security at Michigan Stadium and for the residents who live in nearby neighborhoods by creating a vehicle-free zone around the Michigan Stadium during Saturday UM Football games. Vehicle access from the neighborhood streets onto the closed area of S. Main Street would be either prohibited or restricted at police-controlled access points depending on the street to accommodate people needing ingress or egress to properties fronting S. Main Street that have no side-street access. The closed portion of the street will remain available for pedestrian use and emergency vehicle response to the area. E. Keech between S. Main and Kipke Drive will have a soft closure.
