An Ordinance to Amend Chapter 55 (Unified Development Code) Zoning 26 City-Initiated Annexed Properties to RIC and R1D (Single Family Dwelling District) (CPC Recommendation: Approval 8 Yeas and 0 Nays) (ORD-20-31) **(8 Votes Required)**

Attached is the ordinance to approve the new City zoning districts for each of the twenty-six parcels. This ordinance will zone each of the 26 parcels either R1C (Single-Family Dwelling) or R1D (Single-Family Dwelling). The proposed zoning is consistent with the adjacent zoning, master plan, and principle use of each of the twenty-six parcels.

### Annexation and Zoning Summary:

- In 2011, City Council directed City Staff to begin a process of annexing more than 500 township island parcels within the City's Ultimate Service Area in order to reduce duplication of municipal services.
- City staff recommended that the second group of parcels consist of 26 vacant parcels in Scio Township.

- City Staff received direction from City Council to submit annexation petitions to the State of Michigan Boundary Commission in 2019.
- The State Boundary Commission approved the annexation of all twenty-six parcels after holding multiple public hearings. The parcels are now within City's jurisdiction.
- For all parcels, City staff recommends single-family zoning districts that are consistent with adjacent zoning districts.
