### Report on Community Engagement for Four Downtown City-Owned Properties as Affordable Housing and Update on Ten City-Owned Properties

On April 1, 2019, City Council adopted Resolution R-19-138 directing the City Administrator to collaborate with the Ann Arbor Housing Commission (AAHC) to provide coordinated analysis on the feasibility of City-Owned properties as potential locations for affordable housing. That resolution incorporated previous resolutions R-19-100, R-19-111, and R-19-116. The resolution also directed the City Administrator to provide a report to City Council that provides recommendations on how the properties should be prioritized for consideration for of the development as affordable housing, address which properties would be best used and face the least obstacles to redevelopment, and provide a holistic approach to all identified properties. The AAHC provided that report at the City Council meeting on November 18, 2019 as an “introduction” item (file number 20-2023).

The properties included in the analysis and their current status are:

- 1) 721 N Main (vacant public services buildings)
  - a. November 18, 2019, R-19-518 Directed the City Administrator to work with the DDA, Treeline Conservancy and other community partners to conduct a community engagement process around the optimal development options in support of affordable housing

  - c. April 19, 2021 City Council agenda item 21-0610 requesting approval to divide the property between the floodway/floodplain and a 14,520 SF Summit Street facing the portion that is not in the floodway/floodplain and designate the AAHC as the developer of the property that is not in the floodway/floodplain
  - d. **Next Steps:** AAHC hires development team, starts site plan approval process and secures development financing

- 2) 309 - 337 S Ashley & 104 -120 W. William (surface parking lot also known as the Kline's lot) paired with 216 W. William (surface parking lot at northeast corner of 1st & William)
  - a. November 18, 2019, R-19-517 Directed the City Administrator to work with the DDA to conduct a community engagement process around the optimal development options in support of affordable housing
  - b. April 19, 2021 AAHC shares results of community engagement process with City Council
  - c. **Next Steps:** The consultant team, in coordination with the DDA will finalize the downtown parking assessment that is currently underway but is difficult to complete until post-COVID normalization. Continue discussions with the DDA and downtown businesses about long-term downtown parking solutions related to development of this site.
- 3) 121 Catherine (surface parking lot at northwest corner of 4th & Catherine)
  - a. November 18, 2019, R-19-514 City Council directed the AAHC to develop as 60-85 units of affordable housing for households up to 60% AMI, including due diligence, hiring of development team, securing site plan approval and applying for financing
  - b. AAHC added site to the Community Engagement process being reported on April 19, 2021
