Resolution Levying Certain Delinquent Municipal Solid Waste, Board Up, Clean Up, Vacant Property Inspection Fees, Housing Inspection Fees, and Fire Inspection Fees as Special Assessments and Ordering Collection Thereof

The Resolution before you is to levy certain Delinquent Municipal Solid Waste, Board Up, Clean Up, Vacant Property Inspection fees, Housing Inspection fees, and Fire Inspection fees as special assessments as more particularly described in the attached Schedule A. This is a semi-annual process that provides a mechanism for the City to collect unpaid fees provided for in Chapters 26, 93, 101 and 105.

Chapter 13, Section 1:292 specifies the procedure for placement of these debts on the tax roll. Pursuant to this chapter, owners of affected properties will be notified by first class mail on May 4th, 2021, that the fees, plus a 10% penalty, will be placed on the July 2021 tax roll unless paid by June 3rd, 2021.

The total amount to be submitted for the July 2021 tax roll is \$ 108,404.71 (unless paid by June 3rd, 2021); \$ 119,245.18 with the 10% penalty fee. These totals can be broken down into the following:

Description	Original Amount	Taxroll Amount
Housing, Police, and Fire	95,472.15	105,019.36
Solid Waste	12,932.56	14,225.82

Passage of this Resolution will permit the inclusion of these fees on the July 2021 tax roll thereby allowing the City to recover the cost of providing these services.
