Resolution to Approve an Agreement Granting a Private Sanitary Sewer Lead Easement at 406 Maple Ridge (8 Votes Required)

This approves a grant of easement from the City to Orlando A. Crump and Stephanie Rosales, who are the owners of 500 Maple Ridge.

The City owns 406 Maple Ridge, a vacant lot which is maintained by Public Works and which contains City sanitary sewer trunk lines. In the process of decommissioning a redundant sewer line, the City needed to relocate 500 Maple Ridge's private sanitary sewer lead. A large tree prevented the private lead from being placed entirely on 500 Maple Ridge, so a portion of the private lead was constructed on the City parcel at 406 Maple Ridge. A limited easement is now needed to allow the private lead serving 500 Maple Ridge to cross City property.

The easement has been reviewed and approved by all required City service areas and is being granted for no consideration. City staff recommends approval of the grant of easement.
