Resolution to Authorize a Best Source Purchase Order for Hot Mix Asphalt (HMA) and Emulsion to Cadillac Asphalt, LLC (Not to Exceed \$146,000.00), and to Appropriate \$75,000.00 from the Central Stores Fund Balance **(8 Votes Required)**

Attached for your review and consideration for approval is a resolution authorizing a best source purchase order of up to \$146,000.00 for the purchase of hot mix asphalt (HMA) and emulsion from Cadillac Asphalt, LLC and to appropriate funds from the unobligated Central Stores Fund Balance.

The closest plant to Ann Arbor that produces HMA is Cadillac Asphalt, located at 857 S. Wagner. This plant is 3 miles from the N. Main and E. Huron intersection which is considered City center for use in calculating mileage and time for hot material purchases. The closest competitor is 18.5 miles away and a 30 minute drive. Time and distance are very important to ensure that the material stays hot and the time savings helps to increase productivity. Additionally, the proximity of this material provider will result in less greenhouse gas emissions from truck travel, advancing the City's A2Zero goals.

Quotes were received for two periods, July 1<sup>st</sup> 2022 to December 31<sup>st</sup> 2022 and January 1<sup>st</sup> 2023 to June 30<sup>th</sup> 2023. Pricing per ton is as follows:

Product	7/1/22 - 12/31/2022	1/1/2023 - 6/30/2023
1100T - 20AA	\$ 76.00	\$ 85.00
3/8" 5E1 COM	\$ 84.00	\$ 93.00
36A	\$ 84.00	\$ 93.00
5E3	\$ 85.00	\$ 94.00
3/4" LVSP COM	\$ 80.00	\$ 89.00
1/2" 4E1 COM	\$ 82.00	\$ 91.00

The purchased HMA and emulsion will be used for normal street and path maintenance and for street restoration after work on City Water Supply, Sewage Disposal, and Stormwater Systems.

Budget/Fiscal Impact: Although funding was budgeted in the FY23 Central Stores Operations and Maintenance Budget for the purchase of Hot Mix Asphalt, pricing increases to several Central Stores Materials have made seeking additional funding from the Central Stores fund balance necessary. Funding is available in the approved FY23 Major and Local Street Operation and Maintenance, Sewage Disposal System, Stormwater System, and Water Supply System budgets to reimburse Central Stores for used materials.

Cadillac Asphalt, LLC complies with the City's Non-Discrimination and Living Wage Ordinances.
