Resolution to Accept and Appropriate Michigan Supreme Court State Court Administrative Office Mental Health Court Grant Award and Approve Grant Contract (\$115,100.00) **(8 Votes Required)**  
This resolution seeks Council approval for a grant contract with the Michigan Supreme Court State Court Administrative Office (SCAO) to fund the 15th Judicial District Court Mental Health Court program, and further seeks authorization to accept and appropriate grant funds from the State Court Administrative Office Michigan Mental Health Court Grant Program (SCAO-MMHCGP) for that purpose without regard to City Fiscal Year.

Budget/Fiscal Impact: No matching funds are required for acceptance of this grant award. This grant shall be appropriated to the Major Grants Fund upon acceptance.

Mental Health Courts are problem-solving courts that focus on therapeutic treatment for offenders with mental illnesses whose crimes are a result of their mental illness. Eligible defendants are diverted into judicially supervised, community-based treatment to address the underlying problems. The program uses a team approach to address the participant's needs for mental health and/or substance abuse treatment while also linking the participant with ancillary services such as education, housing, job skills or other individualized assistance. The goal is to assist participants in bettering their lives while also benefiting the community by reducing jail time, recidivism rates, and court docket congestion.

Approval of a ten percent (10%) contingency amount is also requested to allow the Court to increase services should additional funds become available through an approved State Court Administrative Office grant program budget amendment.
