Resolution to Approve a Purchase Order to AmeriNet of Michigan, Inc. for the purchase of Extreme Networks Wireless Networking Equipment, Software, and Related Services to Replace legacy Cisco Wireless Equipment (\$102,621.00) (GSA Schedule IT 70 - GS-35F-0511T)

Attached for your review and action is a resolution authorizing the creation of a purchase order to AmeriNet of Michigan, Inc. in the amount of \$102,621.00 for the purchase of Extreme Networks Wireless networking equipment, software, and related services to replace legacy Cisco Wireless equipment.

AmeriNet of Michigan, Inc. continues to be the best source for provision of Extreme Networks hardware, maintenance, and software support to the City. AmeriNet of Michigan, Inc. provides discounted pricing by Extreme Networks directly via GSA Schedule IT 70 - GS-35F-0511T.

Information Technology will replace the existing Cisco Wireless network that has been in service for over 10 years and is end of life and unsupported in July of this year. Information Technology normally replaces network equipment on a 5 to 7 year renewal schedule.

In addition to remediating the legacy Cisco Wireless, technology built into the new wireless hardware seamlessly works with our new Fabric connected network and will provide enhanced security against unwanted attacks, be easier to manage and administer, and facilitate for future network bandwidth needs.

Budget/Fiscal Impact: Information Technology has included and budgeted for the cost of the purchase in FY 2023.
