Resolution to Approve the Purchase of a Towable Woodchipper from Bandit Industries Inc. (MiDeal - NTE \$129,970.00)

The attached resolution approves the purchase of one new Bandit 21XP towable woodchipper through the State of Michigan MiDeal cooperative purchasing program for use by the Public Works Unit of the Public Services Area.

This woodchipper will be used by Public Works forestry staff to aid in their day-to-day operations. They will also use this for major storm clean up when the City experiences a high volume of downed trees, limbs, and branches.

Bandit Industries Inc. of Remus, MI was awarded contract #19000000301 by the MiDeal cooperative purchasing program for forestry equipment.

Bandit Industries Inc. complies with the requirements of the City’s conflict of interest and non-discrimination ordinances.

Budget/Fiscal Impact: Adequate funding for the purchase of this equipment is available in the FY24 Fleet Services Fund Operations and Maintenance budget.

This woodchipper will be placed on a 10-year replacement schedule which is consistent with our other woodchippers. Public Works will have an annual replacement cost of approximately \$15,720.20 for this woodchipper.

Green Fleet Policy:

The Green Fleet Committee approved the need for this woodchipper, that the proposed replacement is consistent with the Green Fleet Policy and recommended the approval of this resolution. The Sustainability and Innovations Manager has concurred with the actions of the Committee.
