Resolution to Appropriate and Increase the FY 24 Planning Department General Fund Budget by \$699,110.00 **(8 Votes Required)**

The FY 23 Approved Planning Department General Fund Budget included \$699,110.00 for the development of the City's required Comprehensive Plan ("Plan").

On April 17, 2023 City Council approved Resolution R-23-131, authorizing a professional services agreement with Interface Studios LLC to complete the Plan. The work authorized did not commence prior to the end of the fiscal year; therefore, an appropriation of the unspent FY 23 funding to the FY 24 budget is necessary to fund the development of the Plan.

Budget/Fiscal Impact: Funding is available in the General Fund Unobligated Fund Balance.
