An Ordinance to Amend the Zoning Map, Being a Part of Section 5.10.2 of Chapter 55 of Title V of the Code of The City of Ann Arbor, Zoning of 5.9 Acres from TWP (Township District) to R4A (Multiple-Family Dwelling District), 2520 Pontiac Trail and 2540 Pontiac Trail (CPC Recommendation: Approval - 9 Yeas and 0 Nays) (ORD-23-34)

Approval of this resolution will zone these two parcels totaling 5.9 acres from TWP to R4A to allow the construction of an additional 120 residential units to the approved Village of Ann Arbor site plan. These two parcels will be added to the Village of Ann Arbor Site Plan for a total land area of 78.5 acres and 604 dwelling units in the project. The township portions of the site were annexed into the City in 2022 as notified by the Secretary of State to the City Clerk. A site plan for the 120 units will follow at second reading of the Zoning.

The City Planning Commission determined that the proposed zoning is consistent with the adjacent zoning, the surrounding land uses, and the City's Comprehensive Plan and recommended approval of the request at its meeting on September 19, 2023.
