Resolution to Recommend Approval of Issuance of a Downtown Development District Liquor License to Michigan Theater Foundation, Inc.

The attached resolution will approve the recommendation of Michigan Theater Foundation, Inc. to the MLCC for issuance of a downtown development district liquor license to be sited at 603 E. Liberty St., in Ann Arbor.

The City Council of Ann Arbor adopted Resolution R-08-024 on February 4, 2008, establishing the Ann Arbor Downtown Development District as a development district for liquor licensing in accordance with the requirements of Public Act 501 (MCL 436.1521A(1)B of 2006 and the Michigan Liquor Control Commission ("MLCC"). To receive a Development District Liquor License an applicant must be approved by the City and the MLCC. An application for a license will not be authorized for investigation until the MLCC has received a City resolution which approves the applicant at a specific location "above all others."

Michigan Theater Foundation, Inc. has submitted the City license application with all requested supplemental documentation to the City Clerk. The theater has been inspected by the City Service Units and its taxes are current. The Council Liquor License Review Committee has recommended approval on December 6, 2023.

A determination that the applicant is approved "above all others" at the designed premises is recommended on the basis of the unique character of the theater and the services it offers to the downtown community and the general public.

If approved by City Council, the applicant will still be required to demonstrate to the MLCC that it meets all statutory licensing requirements to be issued a downtown development district liquor license.

Whereas, Pursuant to the Act, the City of Ann Arbor may authorize the approval of certain on-premises liquor licenses, irrespective of the availability of on-premises licenses from quota to applicants within a designated development project area meeting certain established criteria;

Whereas, The Act requires a resolution from the governing body of the community that establishes and certifies certain criteria, including a certification that the community has created a qualifying development area, and approving an applicant at a location within a development area before that applicant may apply to the Michigan Liquor Control Commission for a development area liquor license;

Whereas, The City Council of Ann Arbor adopted Resolution R-08-024 on February 4, 2008, establishing the Ann Arbor Downtown Development District as a development district for liquor licensing in accordance with the requirements of Public Act 501 (MCL 436.1521A(1)B) of 2006 and the Michigan Liquor Control Commission ("MLCC");
