Whereas, The Ann Arbor City Council acknowledges the valuable insight provided by the community during public outreach, and the recommendations presented in the March 2023 consultant report regarding the implementation of the Unarmed Crisis Response Program;

Whereas, In August 2023, in an effort to implement an Unarmed Crisis Response Program, Request for Proposal (RFP) 23-42 was issued seeking proposals for an organization to take charge of a portion of non-criminal calls for service that have traditionally been handled by law enforcement;

RESOLVED, That the Ann Arbor City Council hereby reaffirms its strong commitment to the development and implementation of an Unarmed Crisis Response Program using the ARPA funds already allocated through Resolution R-21-129;

RESOLVED, That the Ann Arbor City Council directs the City Administrator to engage in a more targeted approach in publicizing the RFP, in addition to the methods used for RFP 23-42, thereby increasing the likelihood of receiving multiple proposals to evaluate; and

RESOLVED, That the Ann Arbor City Council recognizes the importance of a successful Unarmed Crisis Response Program and remains strongly committed to providing the community with a viable Unarmed Crisis Response Program.
