Below for your review and action is a resolution to approve the purchase of the vacant property located at 2725 Kimberley Road, Ann Arbor, MI 48104 (approximately 0.23 acres), Tax Parcel 09-12-03-305-069 in fee title for $197,000.00 from the Seller, Richard L. Smith and Susanne L. Smith, on the terms set forth in the proposed Purchase Agreement (see attached).

The parcel in question is currently vacant. The Gravel Roads Drainage Study has recommended a drainage improvement to address flow and conveyance in the vicinity near Molin Nature Area. This parcel is adjacent to the nature area and acquiring it would provide access and conveyance for future drainage improvements.

In compliance with the requirements of Code Section 1:321, the City obtained an appraisal of the property in September 2026.

Budget/Fiscal Impact: Funds for this property purchase are available in the approved Stormwater Fund budget**.** Funding for the purchase will include the purchase price plus due diligence and closing costs for a total amount not to exceed $217,000.00.
